

This note is for all Grace Kids parents and leaders.

We are SO thankful to have your children in our toddler ministry and kids' church on Sunday mornings! They are excited to sing for our church family **on March 31st** - next Sunday!

Please have your children attend practice **on Saturday, March 30th, at 10:25 AM**. We will begin at 10:30. Pizza will be served for lunch at approximately 11:30, and practice will end by noon. We will not need any Grace Kids leaders for this practice; we want everyone to know our children's ministry plans in celebration of the resurrection! You can find the song our Kid's Church students sing here: [You Made a Way](#).

On Easter Sunday, we have two worship services: 9 AM and 11 AM. Because your children have been practicing so well, we want the whole congregation to enjoy their hard work. Plan to have your children sing in both worship services if you can. Our Easter Sunday services will begin normally, with a few worship songs and then the New City Catechism. After this, the children will enter and sing. After their performance, toddlers will be dismissed to the toddler room, and Kid's church students will stay with parents and guardians in the worship service.

Plan to arrive at 8:40 AM. The kids will meet in the kids' church room (youth house building). We can line up and have a short practice during this time. Children can wear casual or dress clothes. They will meet in the Kids' Church room for the **second service at 10:40 AM**.

On March 31st, there will be no Kid's Church during the Sunday worship service. Infant and Toddler ministry will still be available.

We look forward to seeing you!

Please let me know if you have any questions.

Stephen Demsich
