

# Games and Activities

## Find with a flashlight

Sit in the middle of a dark room with a flashlight.

Take it in turns to say an item. The other person must point to that item as quickly as possible.

## Toy subtraction

Place some toys on the floor or table. You can use something your child likes, building blocks, toy cars, dolls, crayons etc

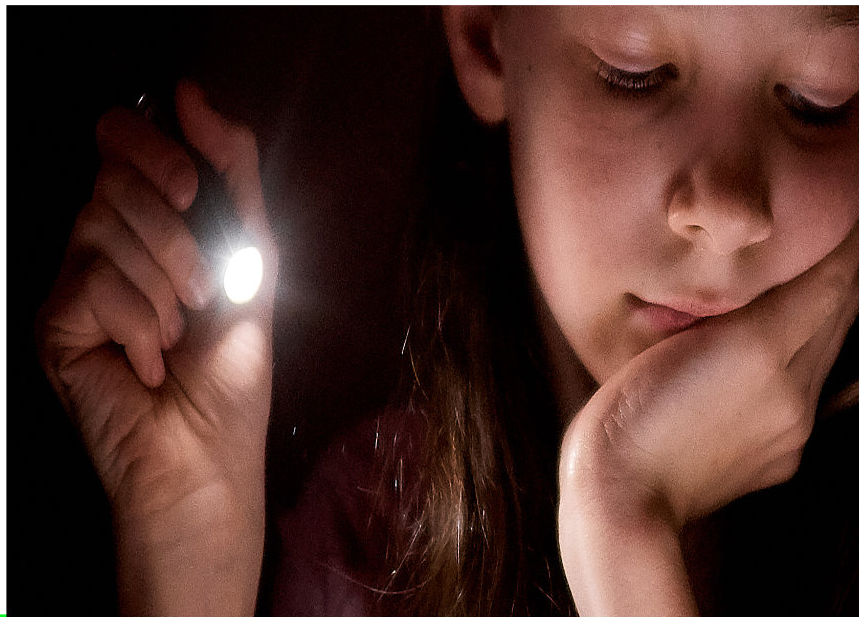

Remove some each time and count how many are left behind.

## Flashlight tag

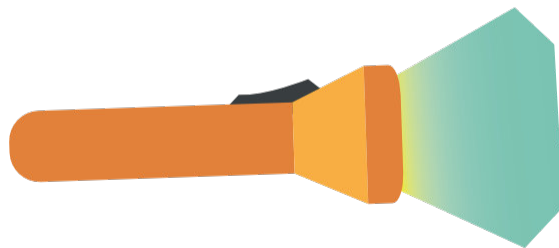

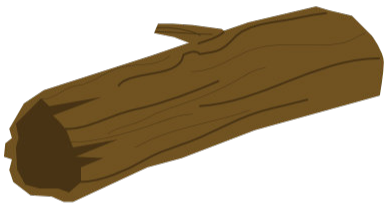

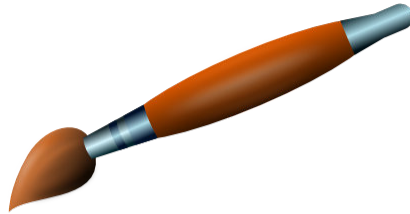

Have the child try to sneak across the room.

If the person with the flashlight hears them, they must try and flash the light onto them.

If the light hits them, they are out of the game.

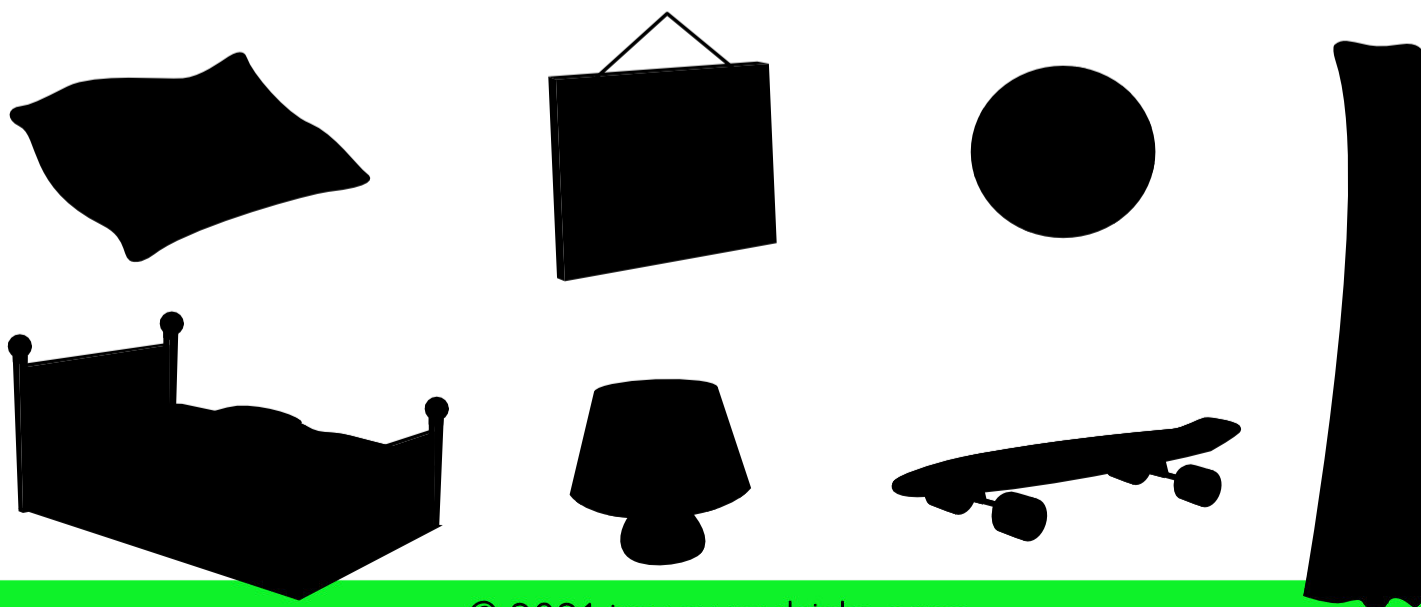

Circle the items that would help you see in the dark

# Things look different in the dark

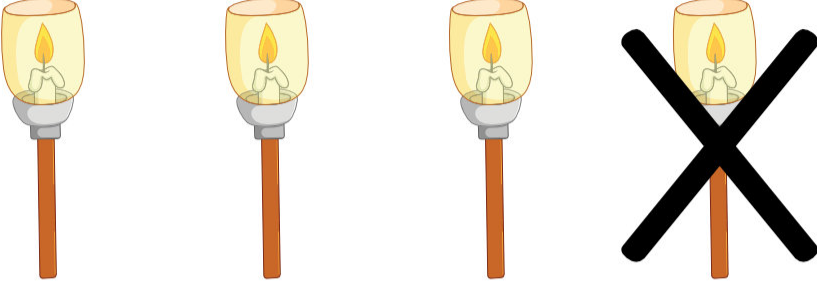

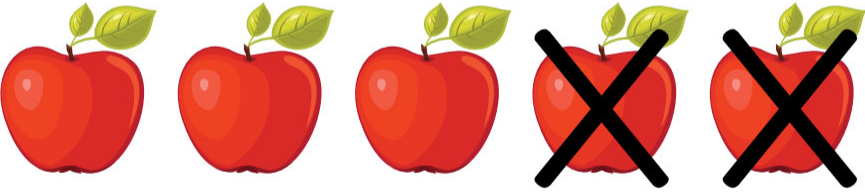

## Try to find the following items

# How many are left?

	$\begin{array}{r} 4 \\ -1 \\ \hline \end{array}$
	$\begin{array}{r} 3 \\ -1 \\ \hline \end{array}$
	$\begin{array}{r} 5 \\ -2 \\ \hline \end{array}$
	$\begin{array}{r} 3 \\ -2 \\ \hline \end{array}$
