## CONCURSIVE OPERATION

### READ: 2 Peter 1:16-21

<sup>16</sup> For we did not follow cleverly devised stories when we told you about the coming of our Lord Jesus Christ in power, but we were eyewitnesses of his majesty. <sup>17</sup> He received honor and glory from God the Father when the voice came to him from the Majestic Glory, saying, "This is my Son, whom I love; with him I am well pleased."<sup>18</sup> We ourselves heard this voice that came from heaven when we were with him on the sacred mountain.

<sup>19</sup> We also have the prophetic message as something completely reliable, and you will do well to pay attention to it, as to a light shining in a dark place, until the day dawns and the morning star rises in your hearts. <sup>20</sup> Above all, you must understand that no prophecy of Scripture came about by the prophet's own interpretation of things. <sup>21</sup> For prophecy never had its origin in the human will, but prophets, though human, spoke from God as they were carried along by the Holy Spirit.

### THINK ABOUT IT:

What do the verses above tell you about scripture?

What was God's part?

What was the human part?

## PERFECTIONS of SCRIPTURE

### READ: Hebrews 1:1-4

In the past God spoke to our ancestors through the prophets at many times and in various ways, <sup>2</sup> but in these last days he has spoken to us by his Son, whom he appointed heir of all things, and through whom also he made the universe. <sup>3</sup> The Son is the radiance of God's glory and the exact representation of his being, sustaining all things by his powerful word. After he had provided purification for sins, he sat down at the right hand of the Majesty in heaven. <sup>4</sup> So he became as much superior to the angels as the name he has inherited is superior to theirs.

### READ: John 1:1

In the beginning was the Word, and the Word was with God, and the Word was God.

### THINK ABOUT IT:

How has God communicated with us?

Who is the "Word" spoken of in John 1:1?

Why do we call both Jesus and the Bible the "Word of God?"

READ DD -20

The Bible was written over a period of roughly 2,000 years by 40 different authors from three continents, who wrote in three different languages. These facts alone make the Bible one of a kind, but there are many more amazing details that defy natural explanation.
