Sing out loud

Most younger children love to sing. Pick some of your child's favorite worship songs and have a praise time together.

Try to sing in a different place. Outside in the garden or park. In your living room, kitchen or at night before they sleep.

Share how we can sing praises to God wherever we are.

What is the song?

Play some 5 – 10 second clips of well-known songs or nursery rhymes.

Ask your children if they know what song it is? You can give bonus points if they can sing part of the song.

Split children into teams to make it into a game.

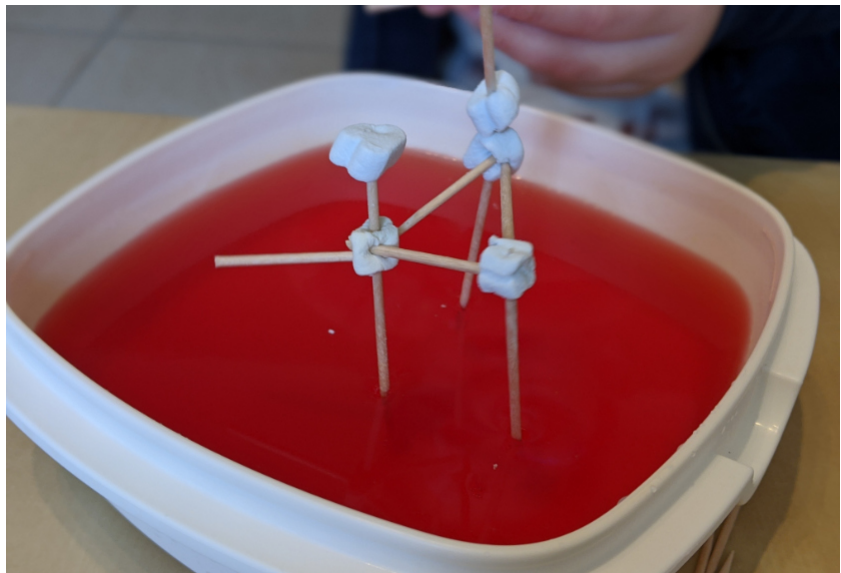

Jelly towers

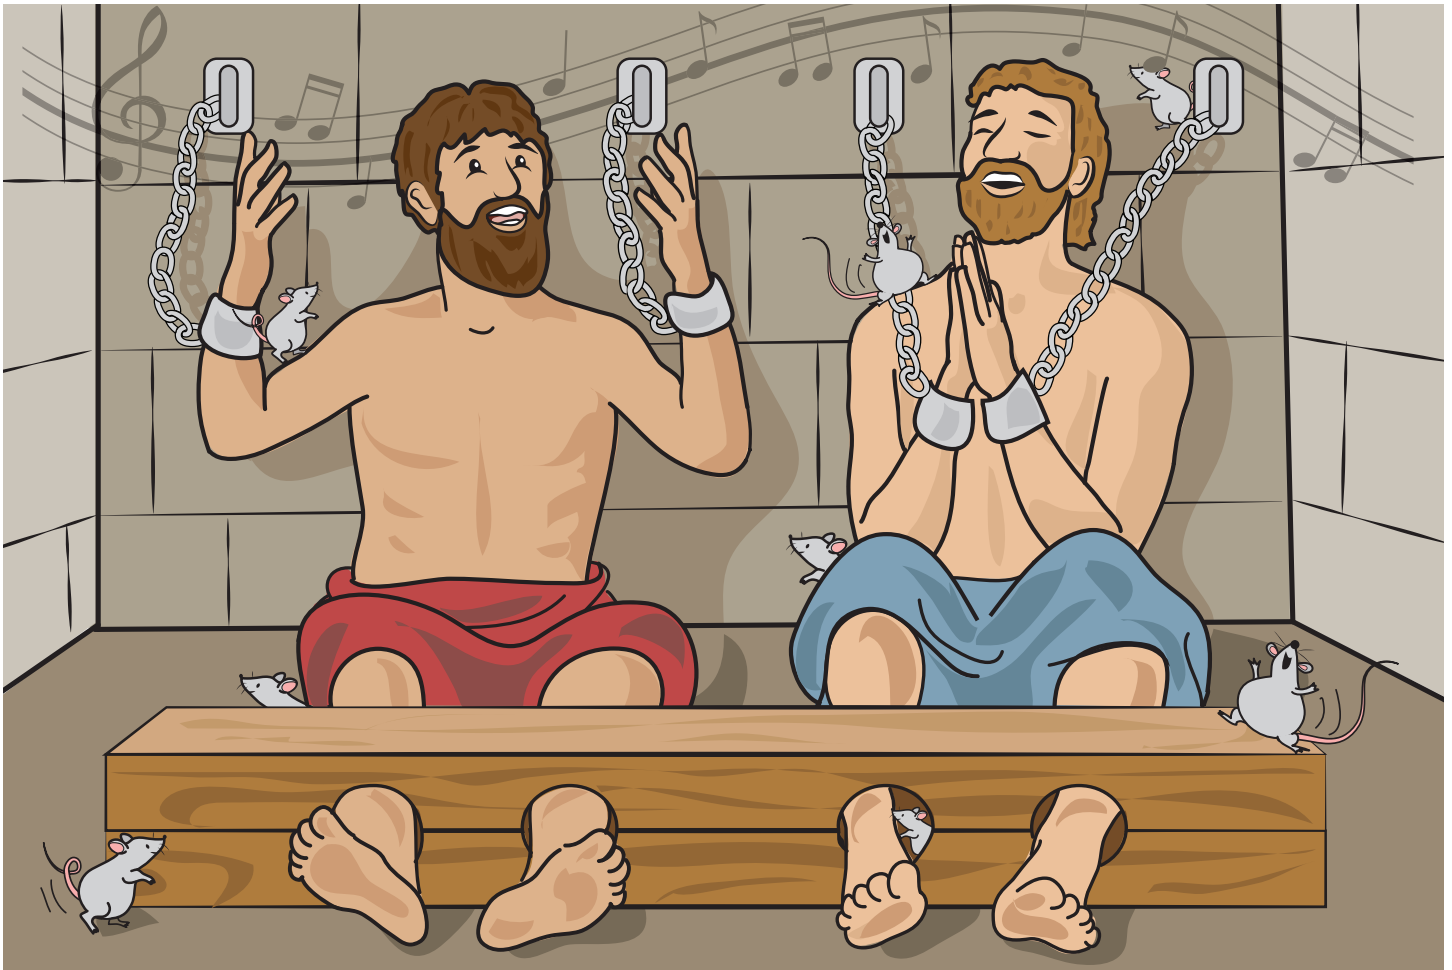

Prepare a bowl of Jell-O ready for this activity. Show how the Jell-O wobbles.

Give children mini marshmallows and toothpicks to create a structure that can withstand gentle shaking.

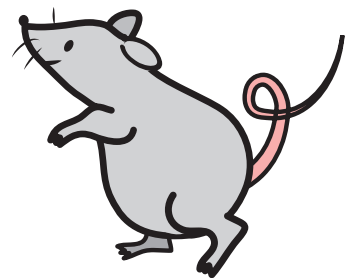

When they are finished, give the Jell-O a small shake and see if it falls. Explain how God used an earthquake to break the prison cell for Paul and Silas. Enjoy the Jell-O and marshmallows as a reward.

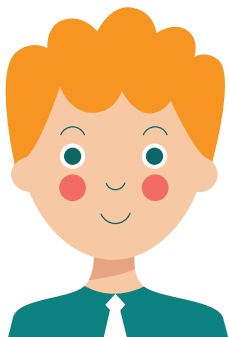

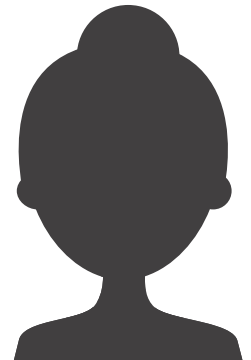

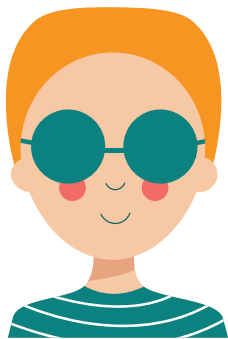

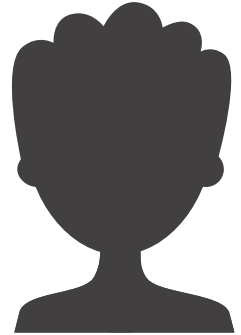

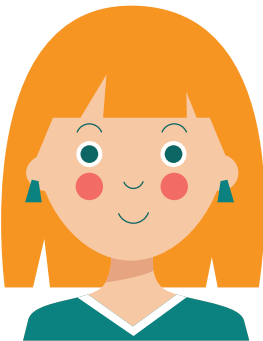

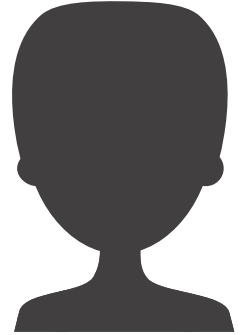

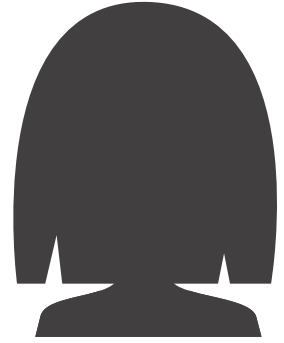

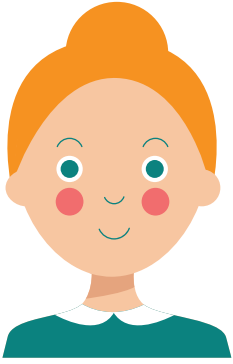

How many mice are in the prison?

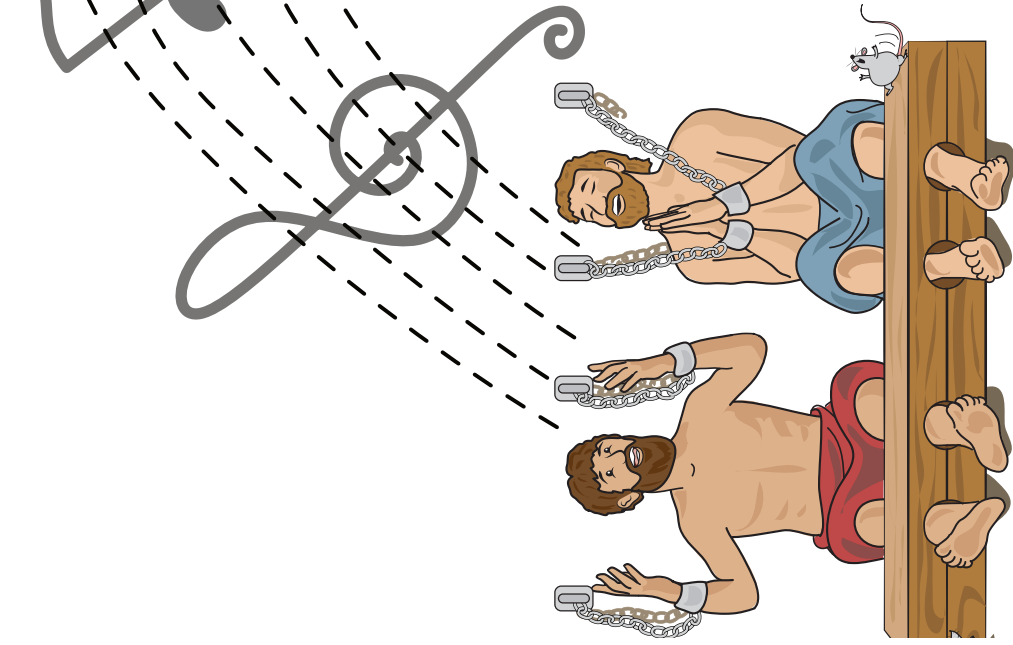

Which two mice are the same?
