WORD

OLD TESTAMENT + Amos 8: 4-7

Amos was called by God to prophesy in the Northern Kingdom of Israel. Peace and prosperity in Israel led to corrupt business practices and oppression of the poor. The prophet declares that God will not tolerate such a situation.

PSALM 113

NEW TESTAMENT+ 1st Timothy 1:1-7

The pastoral epistles, or letters, offer insight into how early Christians understood many practical matters, such as church administration and worship. The church's focused prayer for others is an expression of the single-minded passion God has toward us in Jesus.
