

## **COVID-19 Cleaning & Protection Protocol**

- Sanitization procedures will be increased with building sanitized before opening.
- Sanitizer will be available at the entry & exit point, where patrons will sanitize hands.
- Shopping bins will be sanitized between patrons using them, as well as before the start of the day.
- The team members will sanitize hands regularly before & throughout the opening.
- The team members will wear masks at all times, as will patrons.
- The team members will use gloves wherever possible, as can patrons.
- The team members will use social distancing at all times, as should patrons.
- The Clothes Closet room will be limited to 6 patrons, 4 team members inside & 2 team members outside.
