

## When Heaven & Earth Touch

*We get a glimpse of heaven every Thursday night at camp*

I recently spent time with the Jeremiah Project's Governing and Advisory Boards. At the beginning of both meetings, I shared a story about the kingdom of heaven and then asked this question: "Where have you seen heaven & earth touch at JP?" For many, it was witnessing the journey of a middle schooler and seeing the spiritual transformation that can take place in one week. For others, it's the Thursday night banquet. On that night we invite the families we serve to join us for a meal. We laugh together, tell stories, and have the privilege of serving those that God has placed in our paths. This is indeed a glimpse of the kingdom of heaven because one day we will all sit together at the heavenly banquet, no longer being separated by our social or economic status. Until then, let us remember that it is Jesus' prayer that heaven & earth touch; "...your kingdom come, your will be done, on earth as it in heaven..." (Matthew 6:10).

## Company + Employee = Double the Donation!

*Many companies will match their employees' donations dollar for dollar*

Did you know that many companies encourage their employees to donate to their favorite charity by matching their contributions dollar-for-dollar? What about your employer? Do they match volunteer hours or the donations you make to a non-profit? Several companies do: Boeing, Verizon, Bank of America, BP, State Farm, Citigroup, The Home Depot, ExxonMobil, and Levi Strauss...just to name a few.

This is an easy way to potentially double your future donation to the work of the Jeremiah Project. Check with your human resources department first and if we can answer any questions or help in any way, give us a call at 1-866-574-5744. JP's Federal Tax Identification Number (EIN) is 54-1415064. Thank you!

## God Sightings

*It was through JP that I first saw the love of Christ...*

I have been a staffer for six years, but JP has been in my life for at least ten years. I went from being part of one of the families that JP served to becoming an Assistant Camp Director. JP impacted me in so many different ways. The wonderful staff and campers of this organization helped to complete my mother's home. Over the years they did everything from building a deck, to painting, to finding an electrician for us.

It was through JP that I first saw the love of Christ and is one of the main reasons that I have a personal relationship with God. I have made so many great relationships throughout my time at JP; it is truly like being part of a family. They have helped me stay strong through so many ordeals. I honestly could speak for hours about how JP has impacted me personally, in relationships, and in so many other aspects of my life.

Fun, fellowship, recreation, growing closer to God and one another, and enjoying all that Rockbridge has to offer makes for a great and memorable weekend! Middle School Pastor and author, Scott Rubin, returns for another year to encourage students to live a WILD and UNTAMED life for Christ. Cameron Gwaltly and his band will lead us in worship throughout the weekend.
