

SIGHTS & STORIES FROM THE MINISTRY OF THE JEREMIAH PROJECT

## Unshakable

### *JP's Summer Theme is a Powerful & Familiar Message*

Each summer, JP is very intentional to present a well-thoughtout spiritual theme for the summer. We believe this to be critical as we strive to present a holistic approach to middle school work camp ministry.

In the fall of 2005, God made it clear to me that He wanted to use the Jeremiah Project as a platform to teach about the kingdom of God to middle school students. We did so in 2006 ("Kingdom People"), 2007 ("Promises of the King"), and 2009 ("Unshakable"). Once again, I sense God leading us to present the truths of the Kingdom of God this summer.

To that end, we are excited to share with you that our theme this summer repeats the 2009 kingdom of God theme: "Unshakable". It is a timeless message and one that we all need to be reminded of from time to time.

*"Do you see what we've got? An unshakable kingdom! And do you see how thankful we must be? Not only thankful, but brimming with worship, deeply reverent before God."*  
~ Hebrews 12:28 (The Message)

## JP's 2013 Summer Intern

*"Every experience I have with JP becomes more profound than the previous one."*

We are blessed to have Dylan Daniel, a sophomore at VA Tech, sign on to serve as our summer intern. Dylan will spend his summer serving behind the scenes in Winchester and Romney. He'll be lining up worksites, delivering supplies, getting work permits and helping with the evening programs at camp.

Dylan has staffed with JP the past two summers and has gone through tremendous growth during that time. Approaching his first summer staffing, he was very apprehensive and nervous and felt he was in over his head. Now, he is looking forward to the new adventure and seeing a different side to the ministry. "Every experience I have with JP becomes more profound than the previous one."

## God Sightings

*“JP was the place where I realized I owned my relationship with Christ...”*

JP is important to me because God continues to work in and through middle school students and the ministry in new and exciting ways—no summer at JP is like any other! The summer after seventh grade, I went to JP as a camper completely unaware of the wild and wacky things my staff had in store for me and the amazing ways that God would reveal His faithfulness. JP is the place where I realized I owned my relationship with Christ, not my parents or my pastors, but me! Each summer I'm blessed to be a part of this ministry. God reveals himself through staffers, the community, and campers in unique ways which only seem to get better! As I prepare to serve this summer, I'm excited for the anticipation of “camper watch”, hearing the stories of those we serve, empowering middle school students, and serving in Christ's love for the glory of His kingdom.

Campers at JOURNEY enjoy a game of ping pong during free time

Over 400 hundred participants came to Rockbridge Camp, outside of Lexington, VA for a wonderful weekend of worship, learning to be WILD for Christ, and tons of fun activities! Scott Rubin was our awesome speaker who taught us the importance of accepting God's love for us through His Son, Jesus.
