

REDEEMER LUTHERAN CHURCH

WELCOME!

FALL OF 2021

Worship Schedule

We worship each Sunday morning at 8:30 am (Traditional) and 9:45 am (Contemporary) and 11:00 am (Traditional).

Whether you plan on attending in-person or worshipping from home please read through the entire document as I will outline what you can expect when you arrive at Redeemer and what to expect from your home.

Sign-Up Genius

We ask that you sign-up if you wish to attend services so we know how many bulletins to produce. You can also sign-up by calling the church office at 703-356-3346.

Entrance into Redeemer / Bulletins

On Sunday only the front doors to the church will be open (the ones in the Crossroads). Someone will greet you at the door and welcome you. When you enter our worship space you will see the bulletins. As you search for a place to sit you will notice the blue tape. We have measured the distance between the pews so that those without the tape will be a safe place to sit.

Worship Service

Our worship format has been modified to fit the circumstances. Please review the bulletins so you can become familiar with the Order of Service.

Holy Communion

There are two ways that you can receive Holy Communion. I will stand in the middle of the altar rails and hand you a host that has been dipped into the wine (or grape juice). If you are uncomfortable receiving Holy Communion directly from me then you can receive a preset host and wine (or grape juice) that sits on a table next to me.

Offerings

We will not be passing the offering plate during the service. An offering plate will be located at the entrance of our worship space where you will also find the bulletins. Another offering plate is by the baptismal font if you wish to make your offering on your way to receive Holy Communion. We are grateful for any and all gifts!

Safety Tips and Precautions

Please make sure that you are following the CDC Guidelines before you come. That includes making sure you do not have a temperature or any signs of COVID-19.

Videotaping of Services

We are videotaping with our own equipment. Please know that we are doing our best to keep the focus of the camera on the altar area and pulpit. When we stand, we might see the back of your heads if you are in the first couple of rows by the pulpit. If that is a concern, you can decide if you need to find a place to sit where you would be more comfortable.

For Those who Will Worship from Home

Please go to our website at www.redeemermclean.org and on the Home Page there will be a link for each service. We will livestream the 8:30 am Traditional Service and the 9:45 am Contemporary Service. The taped versions of both services will be on the website by early afternoon that same day; on the Home Page click the link for the Redeemer Video Channel. As you have done in the past you can follow the Order of Service by downloading the bulletins.

For Everyone

For anyone who is interested in what worship will look like on Sunday you can review on our Redeemer Channel Page – <https://vimeo.com/showcase/7193046>
