

We are offering this secure, mobile option through a trusted payment processor that Redeemer has worked with for many years. You can choose to deduct your donation directly from your checking account (a less costly option for the church), or use a credit card.

To make a weekly or a one-time offering to Redeemer via your smart phone, simply:

- 1) Download the free app **Give+** from the Apple App Store or Google Play.
- 2) Enter "22101" in the zip code field to quickly locate Redeemer. (You can also search by name, using "Lutheran Church of the Redeemer" and selecting "McLean, VA".)
- 3) Either select "Create Account" for recurring giving, or select "Give Now" for a one-time donation.
- 4) Click on the "+" sign in the upper righthand corner of your screen to see the list of available funds and events to which to donate.

Please note: to keep the mobile process simple, only a few donation destinations are given in the phone app: General Fund, Debt Reduction, and any current fundraisers or special events for which online donations have been enabled.

For a more extensive list of options, including ELCA World Hunger Appeal, (Redeemer's) Endowment Fund, Lutheran Disaster Response, Lutheran World Relief, MMEC, N Street Village, Partners for Surgery, Rise Against Hunger, and others, please use the regular online donation option on our full website.
