October is Breast Cancer Awareness Month

A Breast Cancer Statistic:

In the United States, approximately 1 in 8 women will be diagnosed with breast cancer in their lifetime.

If you look around our church, we have several women who are breast cancer survivors.

Pray for a cure. Pray for the survivors. Remember the ladies who unfortunately did not win the fight with breast cancer.

Got questions? Ask Committee Chairs!

Do you know who the committee chairs are at our church? You should! And you should be asking them questions. Got a problem? Ask! Open conversations between church attenders and the committees are the best way for solutions to happen.

The chairs and committee members want Moore Memorial to succeed, so take some time and have a chat with the chairs if you have questions/concerns.

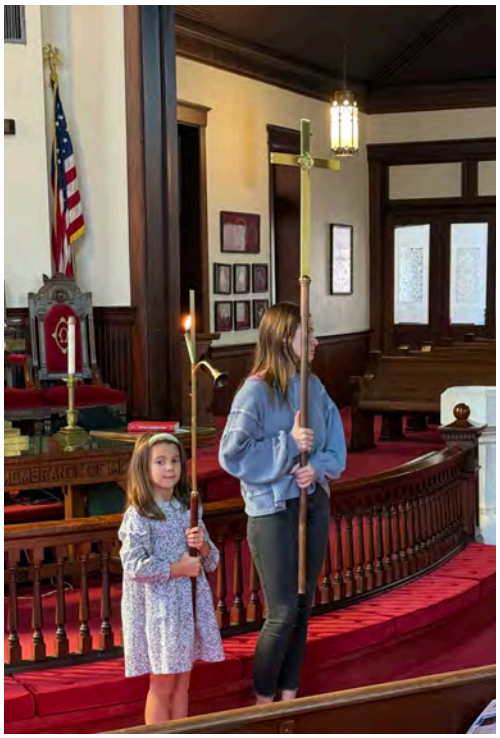

Mrs. Margaret Robinson says "Thank You"
