Join us for a new sermon series, *Dream*, April 7-May 12:

God has a dream: to make all things new. That's the hope of the resurrection. And now WE are the body of Christ, empowered by the Spirit. And we each have a part to play.

God's dream is good. God's dream is big.

And since it's God's dream, the question isn't "will it happen..."

The question is: "What's my part?"

CHILDCARE WILL BE PROVIDED**

Simply put: having a baby changes a marriage.

You are now responsible for a tiny human who has thirty different cries (that all make you cry), kills the mood with a single poop, and whose favorite time to eat is 2am after you just fell asleep. On top of that, you're still married and the tasks that used to be simple such as communicating with your partner about who is picking up the Target grocery order, taking the dog for a walk, and planning time for a date night can become a source of major conflict for couples. This workshop is designed to help couples think through topics that are commonly overlooked when becoming new parents and will give couples the opportunity to set themselves up for success in the 4th trimester. Topics covered will include (but won't be limited to) splitting of household duties, communication strategies for high stress times, keeping the romance alive, and practicing self care. Join Sara Campbell, licensed therapist and owner of Riverbanks Counseling, for this new workshop on April 21st from 2pm-4pm. Child care will be provided.

## Health and Care Minute:

March is colon cancer awareness month. Did you know that colon cancer is the second leading cancer in both men and women? The good news is that if detected early it is the most treatable and curable. We should be starting the screening process at least by the time we are 45 years old. You should be talking to your doctor about your family history and be asking when the best time to have a screening would be for you. Many insurances do not pay for colonoscopies after the age of 75. There are other screening methods that are more cost effective. Again, talk to your doctor if you are concerned about colon cancer. If you have any questions and other tools you can use please let me know and I will help you find the answers.

## TAI CHI FOR BETTER BALANCE

Tai Chi for Better Balance will begin again Monday, March 4. We will continue to meet on Monday and Wednesday mornings at Trinity UMC. The intermediate class will be at 8:30, and the beginners will be at 9:30. Each class will meet for 45 minutes with stretch and warm up then Tai Chi. Please feel free to bring a friend or tell people outside the church family that they are welcome. A free will offering will be collected, half goes to Trinity and the other half to me or any substitute that might be needed. We will culminate with a brunch or lunch with both classes. Come 10 minutes early to sign your waiver and check in. Hope you are ready to make new friends and see old ones.
