## God Honors Your Choice

"she took of its fruit and ate" Gen.3:6

Free will is so important to God He doesn't want robots who serve Him but people who freely choose Him! As Moses told the children of Israel "choose you this day whom you will serve". To not choose God is to serve Satan. People are afraid of the disciplined life of Christianity, and they rebel against God thinking they choose freedom. Truth is Satan is their God and he hates them beyond knowledge, He kills robs destroys. We all serve somebody!

God reaches out to people their whole life hundreds of times they hear His voice, feel His conviction. He sends people to witness to them, he gives visions and dreams. And still they refuse, God will not violate free will, sadly at the end he turns them over to their own decisions. Hell is forever and is no joke!

What do you choose?
