annihilate.....it's not there!

annihilate: to do away with completely, to cause to cease to exist. When the Bible says God will destroy the wicked, or when Jesus says, "fear Him who can kill both body and soul in hell", it does not mean to annihilate.

The doctrine that says the wicked in hell burn up and cease to exist is error! No where in the Bible is annihilate used of anyone. To destroy: is used in the sense if you were to drop a glass and it shatters, you destroyed the glass, but the pieces remain, it's all still there just in a broken form. People in hell are still there just in broken form, for eternity.

And they will go away into eternal punishment, but the righteous will go into eternal life. Matt. 25:46

Notice the balance, the symmetry of this verse, the soul always exists in heaven or hell.

This along with many other errors have crept into the church and are embraced by people who ought to know better. God never changes His Word Never!

Hold to the truth, it is being challenged!
