## mind games.....

<sup>5</sup>casting down arguments and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of Christ, 2 Cor.10:5

Satan's target is between your ears. He whispers, accuses, maligns, and provokes our minds with every conceivable twisted thought.

His goal is to goad you into submission to him and pointing the finger at God. Paul was so aware of this, and he urges violent action. "Casting down", throwing out every accusing voice. Notice how quickly Jesus turned on one of his own disciples who unwittingly was a spokesman for Satan. Jesus said to Peter "get thee behind me Satan". This is the same treatment we must learn in controlling who talks to us. You don't have to allow every thought. You never have to agree with the enemy!

Bolster your mind for war daily, because it will surely come. Load up on scripture, pray in tongues and employ all of heavens army to aid you in the battle.

It is no one's job but yours.....
