scaled armor

"and wore a coat of scale armor of bronze" 1Sam 17:5

This was the definition of Goliaths armor as he faced David for battle. Where else do we see an adversary with scales? In Genesis the snake with scales talks to Eve and wins the battle getting her to die and be expelled from the garden.

But it all surfaces again in Goliath a monster of a man who cursed Israel for 40 days. This time a boy who knew the Spirit of God defeated Satan's hero. He kills Goliath with his own sword cutting off his head, fulfilling the greater promise that one day Jesus would come and cut the head off Lucifer.

Israel won that day, and we are winning every day with exalting our Lords victory in the resurrection! Amen!
