***Let Your Memory Minister To You!***

This I recall to my mind, therefore I have hope. *Through* the LORD's mercies we are not consumed, Because His compassions fail not. *They are* new every morning; Great *is* Your faithfulness. La.3:21-23

One of our greatest weapons is our recollection of God's faithfulness in our lives. God wanted Israel to write down what He had done for them. He had them put stones in a pile as a memorial to go back and remember the miracle of the Jordan.

How can we live successful overcoming lives without a list, a notebook full of God's faithfulness? I constantly jog my memory of past victories. Sometimes it's no big thing, but it works the same, it stiffens my backbone.

If you do not journal, start one today. Write down everything you are aware of in God's blessings. It will always help you in your faith walk!
