## **prayer matters**

Prayer to God in all forms matters to Him!  
Conversational prayer, quick prayers, extended times of intercession, prayers that we sing to the Lord. All of these and more matter to God, He hears and responds to them all.

Don't think you have to be at church with music in the background for prayer to count. It's so wonderful to know that God's ear is listening at all times, that His eyes are on us, his hands are on us, it is too wonderful for words!!

Take advantage of your relationship, talk to God all day, tell Him your needs, your wants, tell Him how you feel, He can handle all of it. His delight is in it, He delights in His children.

Not less prayer, more prayer, any kind will do!
