REBUKE

"Exhort rebuke do the work of an evangelist!"

Paul told Timothy that rebuking was a part of his ministry. I think we have lost this truth on many levels. The authority of God lives in us whatever we bind on earth is bound in heaven. Negative warfare is taking authority over the spirits and principalities of darkness.

I remember boarding a plane one time and the man in front of us was cursing and becoming more and more incorrigible. I didn't want his attitude for the next 5 hours, so I prayed and took authority over the spirit in the man. Immediately he calmed down and even slept for most of the flight.

We need to use all the tools the Lord has provided for us and negative warfare is a major part of it. Make sure when you rebuke you're not in the flesh just mad, "the wrath of man works not the righteousness of God."

God bless the church
