THE REWARD

"these all died in faith not having received the promise".....

Paul says these Old Testament believers all died in faith but didn't receive what was promised. But the reward is in the believing not the receiving. That's why we are called "believers" our whole life is built on faith, our reward in heaven will be for our believing. The miracle the answer is God's reward, He receives glory for the miracles He does! It is as it should be.

Believe what God said to you and be full of hope. When and how it comes is God's call, it may be after your exit from this planet, but God keeps His Word!

The reward is in front of us, keep believing, keep confessing, stay full of hope it will surely come!
