He gave them their requests.....

God gave Israel what they wanted.....but He sent leanness into their souls.

They got what they wanted, but they lost what they had. They wanted a king to rule over them like other nations had, they got him Saul, but they lost God as their king. Every request of the flesh will always cost you in the spiritual. You will go down not up in life, you will be stripped and robbed, made weak and unhappy. You cannot rebel against God and His Word and be successful on any level of this life.

Yield yourself to God, ask His counsel seek His help ask for wisdom and it will be given to you liberally. God loves to be our God, He loves to be sought out, waited on and trusted in!

He is a wonderful God, I have served him over 60 years and He has never once abandoned me or treated me unfairly!

God bless the church
