40

The flood brought rain for 40 days and 40 nights but on the 41st day the rain stopped.

Moses committed murder and ran into desert 40 yrs. On 41st year God called him to rescue Israel

Moses was 40 days on the mountain on the 41st day he received the 10 Commandments.

Israel wandered in the wilderness 40 yrs. in the 41st year they walked out into promised land.

Goliath taunted Israel 40 days on day 41 David defeated him. Jonah preached the message of judgment for 40 days on 41st day God stopped his plan to destroy them. Jesus fasted 40 days it ended on 41st day with Satan defeated.

After the resurrection Jesus appeared to many people 40 days. On day 41 he ascended into heaven.

WHAT DO WE TAKE AWAY FROM ALL THIS:

the rain will stop the giant will fall you will enter your promised land as long as you don't give up on day 40.... your 41 is coming!
