*He Puts It On Simmer*

O LORD, correct me, but with justice; Not in Your anger, lest You bring me to nothing. Jer.10:24

The scriptures declare that God disciplines us to bring us to himself more and more.

A friend of mine was talking about this concept and he said, "yes the Lord puts us in the furnace of affliction many times but he puts it on "simmer". In other words, it will take time to bring the desired virtue into our lives. Only God knows when, and he doesn't share that knowledge with us. We have to learn to trust him in long protracted trials.

God is at work in your life, it may seem slow, but the "simmer" mode always works.

God bless the church,
