Healthy Eyes

Healthy eyes are eyes that guard what they see. Job said "I made a covenant with my eyes not to look with lust upon a young woman. ²What has God above chosen for us? What is our inheritance from the Almighty on high? ³It is calamity for the wicked, misfortune for those who do evil. ⁴He sees everything I do and every step I take." Job 31:1-4

We are not blind, it is not a sin to see someone that you think is beautiful. But to stare and to let your mind imagine unholy things with that person is "sin". Job said he had made a covenant with his eyes. In other words, he was on constant guard and would be careful to repel any uncleanness.

Whatsoever things are good and lovely and true if there be any virtue any praise, think on these things!

Make a covenant with yourself and God, you will be happy you did!
