

HOW TO SUPPORT I'M IN

SRPC's Session has worked and prayed together about the specifics of our facility improvement project. We also understand each individual must go through their own process of discernment.

This resource is intended to guide your process. We want God to speak uniquely to you.

We hope you find these scriptures about ownership, management and discernment, helpful. They are not exhaustive, by any means. Rather, they're prompts that can take you deeper into study and prayer.

As you review the scriptures, ask God to guide your thinking. Invite the Lord to speak to you in all areas of life.

We'll be receiving commitments at church on Sunday, March 25th. Download a Commitment Card.

Thank you for being part of the journey.

*Lord, thank you for SRPC. I want my giving to be directed by you.
Guide me through your Word - and help me to respond faithfully and joyfully.*

In Jesus' name, Amen.

Four questions to consider as you make a decision:

1. Have I been prayerful?
2. Have I made time to listen to the Lord?
3. Have I shared my thoughts/process with my spouse or a Christian friend?
4. Will my faith grow through this decision?
