## Local Partnerships

### Love INC

loveinc.org

Love In the Name of Christ is a local organization in Hillsboro that strategically cares for people/families in need. Their whole strategy is to give a hand UP and not a hand OUT. They do this really well in many unique ways.

**Mission Team Liaison:** Karen Lince – karen.lince80@gmail.com

### First Image

first-image.org

First Image has been working to live out God's heart to renew his image in the lives of those that have been impacted by sexual brokenness and abortion for over 30 years. They believe that God's people are at their best when they respond with compassion toward those who are vulnerable, voiceless, or misled. God has called them to serve unsupported women in our city facing unplanned pregnancies, the children they carry, students who are in desperate need of transformation in their relationships and sexuality, and men and women burdened by the pain of past abortion.

Their vision is to provide a space for children living in foster care to have a relationship with their birth parents and increase the likelihood to be reunited with them.
