

I Still Haven't Found What I'm Looking For U2

I have climbed highest mountains
I have run through the fields
Only to be with you
Only to be with you
I have run
I have crawled
I have scaled these city walls
These city walls
Only to be with you

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I have kissed honey lips
Felt the healing in her fingertips
It burned like fire
This burning desire

I have spoke with the tongue of angels
I have held the hand of a devil
It was warm in the night
I was cold as a stone

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

I believe in the kingdom come
Then all the colors will bleed into one
Bleed into one
But yes I'm still running

You broke the bonds
And you loosed the chains
Carried the cross
Of my shame
Oh my shame
You know I believe it
But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

But I still haven't found what I'm looking for
But I still haven't found what I'm looking for

Washing of the Water **Peter Gariel**

River, river, carry me on
Living river, carry me on
River, river, carry me on
To the place where I come from

So deep, so wide, will you take me on your back for a ride
If I should fall, would you swallow me deep inside
River, show me how to float, I feel like I'm sinking down
Thought that I could get along

But here in this water, my feet won't touch the ground
I need something to turn myself around

Going away, away toward the sea
River deep, can you lift up and carry me
Oh roll on through the heartland
'Til the sun has left the sky
River, river, carry me high

'Til the washing of the water, make it all alright
Let your waters reach me, like she reached me tonight

Letting go, it's so hard, the way it's hurting now
To get this love untied
So tough to stay with this thing, 'cos if I follow through
I face what I denied
I'll get those hooks out of me
And I'll take out the hooks that I sunk deep in your side
Kill that fear of emptiness, that loneliness I hide

River, oh river, river running deep
Bring me something that will let me get to sleep

In the washing of the water will you take it all away
Bring me something to take this pain away

Hold On

Nichole Nordeman

It will find you at the bottom of a bottle
It will find you at the needle's end
It will find you when you beg and steal and borrow
It will follow you into a stranger's bed

It will find you when they serve you with the papers
It will find you when the locks have changed again
It will find you when you've called in all your favors
It will meet you at the bridge's highest ledge

So baby, don't look down, it's a long way
The sun will come around to a new day

So hold on, love will find you
Hold on, He's right behind you now
Just turn around and love will find you

It will find you when the doctor's head is shaking
It will find you in a boardroom, mostly dead
It will crawl into the foxhole where you're praying
It will curl up in your halfway empty bed

So baby, don't believe that it's over
Maybe you can't see 'round the corner

So hold on, love will find you
And hold on, He's right behind you now
Just turn around and love will find you

To hang between two thieves in the darkness
Love must believe you are worth it, you are worth it

CCLI #504270060 and PML & WCL #10865

So hold on, love will find you
Hold on, He's right behind you now
Just turn around, He's right behind you now
Just turn around, love will find you

Hold on
Hold on, it'll be okay
Hold on
Hold on, it'll be alright
Hold on ...

Down to the River to Pray

Allison Kraus

(from "O Brother Where Art Thou")

As I went down in the river to pray
Studying about that good ol' way
And who shall wear the starry crown
Good Lord, show me the way

O sisters, let's go down
Let's go down, come on down
O sisters, let's go down
Down in the river to pray

As I went down in the river to pray
Studying about that good ol' way
And who shall wear the robe and crown
Good Lord, show me the way

O brothers, let's go down
Let's go down, come on down
Come on, brothers, let's go down
Down in the river to pray

As I went down in the river to pray
Studying about that good ol' way
And who shall wear the starry crown
Good Lord, show me the way

CCLI #504270060 and PML & WCL #10865

O fathers, let's go down
Let's go down, come on down
O fathers, let's go down
Down in the river to pray

As I went down in the river to pray
Studying about that good ol' way
And who shall wear the robe and crown
Good Lord, show me the way

O mothers, let's go down
Come on down, don't you wanna go down?
Come on, mothers, let's go down
Down in the river to pray

As I went down in the river to pray
Studying about that good ol' way
And who shall wear the starry crown
Good Lord, show me the way

O sinners, let's go down
Let's go down, come on down
O sinners, let's go down
Down in the river to pray

As I went down in the river to pray
Studying about that good ol' way
And who shall wear the robe and crown
