Sermon: *In Conversation:*
The Mutuality Model
***God is Too Big* series**
Rev. Jill Sander-Chali

This Sunday focuses on the mutuality model, in which Christianity is positioned as one of many true religions that is called to dialogue and work with other religions toward common goals.

Philippians 2:9
Mark 1:15
Colossians 2:9

These verses share that Jesus' unique name doesn't diminish the uniqueness of other religious figures. Jesus was centered on the kingdom of God and the fullness of God found in Jesus, us, and even others who practice other religions.
