All: **Help us remember that our words and metaphors cannot contain God.**

One: Some of us believe that all religious paths lead to the same Source of Divine Love and that we have a lot in common.

ZONE**

The Council of Bishops of The United Methodist Church has launched a historic engagement initiative designed to give every United Methodist a direct voice in shaping the denomination's future.

A denomination-wide survey can be accessed through the accompanying QR code. The survey invites United Methodists to share: What they hope the church will prioritize. Their vision for the church 50 years from now. The message they want Leadership Gathering participants to carry forward.
