One: Some of us believe that Jesus is the only way to salvation and that Christianity replaces other religions.

**All: Help us remember that our words and metaphors cannot contain God.**

One: Some of us believe that the Spirit is actively working in and through other religions to bring people to Christ.

**All: Help us remember that our words and metaphors cannot contain God.**

One: Some of us believe that all religious paths lead to the same Source of Divine Love and that we have a lot in common.

**All: Help us remember that our words and metaphors cannot contain God.**

One: Some of us believe that each religion is a unique, distinct path that contains spiritual truth.

**All: Help us remember that our words and metaphors cannot contain God.**

One: In our wondering, we realize that God is too big to fit into one religion.

In the Sanctuary.

Join us for a simple meal of soup and crackers in the fellowship hall, followed by worship in the sanctuary. Ash Wednesday marks the beginning of Lent and focuses on our mortality, the fragile and sacred nature of life, and drawing close to God as we prepare for Easter. Pastors provide prayer and an imposition of ashes (marking your forehead with the sign of the cross to remember your mortality).
