One: Some of us believe that Jesus is the only way to salvation and that Christianity replaces other religions.

**All: Help us remember that our words and metaphors cannot contain God.**

One: Some of us believe that the Spirit is actively working in and through other religions to bring people to Christ.

**All: Help us remember that our words and metaphors cannot contain God.**

One: Some of us believe that all religious paths lead to the same Source of Divine Love and that we have a lot in common.

**All: Help us remember that our words and metaphors cannot contain God.**

One: Some of us believe that each religion is a unique, distinct path that contains spiritual truth.

**All: Help us remember that our words and metaphors cannot contain God.**

One: In our wondering, we realize that God is too big to fit into one religion.

**All: Yes! God is too big to fit into one religion!**
