Bearing Love's Image in a Gendered World

Rev. Bev Baumgartner—Preacher

Gender stereotypes drive violence at the interpersonal and societal levels. Healthy relationships are based on mutuality and equality rather than confining gender roles. As Paul puts it in Galatians, "there is neither Jew nor Greek; there is neither slave nor free; nor is there male and female, for you are all one in Christ Jesus."

Empire and Enthusiastic Consent

Rev. Jill Sander-Chali—Preacher

Empire does not respect consent. This creates problems and obstacles for followers of Jesus, who prioritize freedom to love ourselves as our neighbors. We worship a God who wants us to attend to ourselves with love. To that end, it is important that we know our personal values and the relationship "green flags" our values point us toward. How do our values and "green flags" inform what we place on our altars of love?
