Ready to stop stressing about money
and start building a life of true financial freedom?

Finding Financial Peace is a practical, action-oriented course designed to transform your relationship with money from the inside out. Personal finance isn't just about math—it's about behavior. In this class, you won't just look at numbers on a page; you will develop the mindset, discipline, and daily habits required to take total control of your financial future.

Led by financial coach Corey L. Stokes, this step-by-step program gives you the exact tools and strategies you need to eliminate stress and build momentum.

Come join CHUM's Mission & Justice team as we learn from our own David Bartley about the services provided by Habitat for Humanity of Greater Wichita.

We've had so much fun this summer, we are going to continue our gatherings once a month on Saturday's. We hope you will join us for coffee and conversation. This is a relaxed, come-as-you-are space to sip a tasty drink, share a laugh, vent a little, get to know others, and remember you're not doing life alone. No agenda. No pressure. No expertise required. Just good drinks, real people, honest conversation and plenty of grace. We are throwing in an opening idea to get us started but nothing is off the table. Whether you're bursting with stories, running on empty, or just here for the refills—you belong at the table. Join us the 2nd Saturday from 9am-10am.

September 12, 2026 – Pennant Coffee, 930 W. Douglas Ave. (Best thing you did this summer)
