A few chumites have already taken the course, here's what they had to say.

"KMF offering this course provided the encouragement I needed to get my financial house in order. Tyler was a joy to work with and he made the process easy." **Anne Harris**

"Putting Your House in Order" provided us a systematic approach and connected us to legal expertise that provided a thorough process of updating our estate planning documents. It was painless, kind of fun, and gave us peace of mind that everything is in order. We've already been able to use some of the tax-advantaged ways to enhance our giving." **Brent and Carol Shelton**
