**Sermon:** Resistance to Exhaustion
Holy Rest series
Rev. Jill Sander-Chali

Series Theme: In a 24/7 culture where we are constantly on the go, carving out time to rest feels selfish at best and impossible at worst. The 10 Commandments surprisingly reveal a God of rest, who invites us to also keep a Sabbath of resistance to the things that destroy life.

**First Sunday:** The first three commandments remind us that the God who works to create and redeem the world rests (in contrast to the other gods of Egyptian slave culture). To worship this God invites us to resist overworking and exhaustion by observing Sabbath.
