

Get Up, Stand Up

Bob Marley

Get up, stand up: stand up for your rights!
Get up, stand up: stand up for your rights!
Get up, stand up: stand up for your rights!
Get up, stand up: don't give up the fight!

Preacher man, don't tell me,
Heaven is under the earth.
I know you don't know
What life is really worth.
It's not all that glitters is gold;
'Alf the story has never been told:
So now you see the light, eh!
Stand up for your rights. Come on!

Get up, stand up: stand up for your rights!
Get up, stand up: don't give up the fight!
Get up, stand up: stand up for your rights!
Get up, stand up: don't give up the fight!

Most people think,
Great god will come from the skies,
Take away everything
And make everybody feel high.
But if you know what life is worth,
You will look for yours on earth:
And now you see the light,
You stand up for your rights. Jah!

Get up, stand up! (jah, jah!)
Stand up for your rights! (oh-hoo!)
Get up, stand up! (get up, stand up!)
Don't give up the fight! (life is your right!)
Get up, stand up! (so we can't give up the fight!)
Stand up for your rights! (lord, lord!)
Get up, stand up! (keep on struggling on!)
Don't give up the fight! (yeah!)

We sick an' tired of-a your ism-skism game -
Dyin' 'n' goin' to heaven in-a Jesus' name, lord.
We know when we understand:
Almighty god is a living man.
You can fool some people sometimes,
But you can't fool all the people all the time.
So now we see the light (what you gonna do?),
We gonna stand up for our rights! (yeah, yeah, yeah!)

So you better:
Get up, stand up! (in the morning! git it up!)
Stand up for your rights! (stand up for our rights!)
Get up, stand up!
Don't give up the fight! (don't give it up, don't give it up!)
Get up, stand up! (get up, stand up!)
Stand up for your rights! (get up, stand up!)
Get up, stand up! (...)
Don't give up the fight! (get up, stand up!)
Get up, stand up! (...)
Stand up for your rights!
Get up, stand up!
Don't give up the fight! /fadeout/

The Daughters

Little Big Town

Oh girl, wash your face before you come to the table
Girl, know your place, be willing and able
Take it on the chin, let the best man win
Girl, shoulders back and stand up straight
Girl, watch your mouth and watch your weight
Mind your manners, smile for the camera

And pose like a trophy on a shelf
Dream for everyone, but not yourself
I've heard of God the Son and God the Father
I'm still looking for a God for the daughters

Girl, don't be weak but don't be strong
Say what you want, just as long
As you nod your head with your lipstick on

And pose like a trophy on a shelf
Dream for everyone, but not yourself
I've heard of God the Son and God the Father
I'm just looking for a God for the daughters

I wash the dishes, feed the kids, and clean up all this mess
Do my best, forgive myself, and look good in this dress
Damn, I look good in this dress

And pose like a trophy on a shelf
I'll dream for everyone, but not myself
I've heard of God the Son and God the Father
And damn, I love my son, I love my father
I'm just looking for a God for the daughters
I'm just looking for a God for the daughters

For the daughters
I'm just looking for a God
For the daughters, for the daughters

STAND!

By – Donnie McClurkin

What do you do
When you've done all you can and it seems like its never enough
And what do you say when your friends turn away and you're all alone
Tell me what do you give
When you've given your all and it seems like you can't make it through
Well you just stand when there's nothing left to do
You just stand watch the LORD see you through
Yes after you've done all you can, you just stand

Tell me how do you handle the guilt of your past
Tell me how do you deal with the strain
And how can you smile when your heart has been broken and filled with pain
Tell me what do you give
When you've given your all and it seems like you can't make it through

Child, you just stand, when there's nothing left to do
You just stand watch the Lord see you through
Yes after you've done all you can, you just stand, stand and be sure
Be not entangled in that bondage, oh you just stand and endure
God has a purpose, yes God has a plan

Tell me what do you do
When you've done all you can and seems like you can't make it through
Child, you just stand, stand, you just stand, stand, stand, stand
Through the storm, stand, stand through the rain
Stand, through the hurt, stand, yeah through the pain, you just
Don't you stop, stand, and don't you bend, stand, don't give up
Stand, no don't give in, you just
Hold on, stand, just be strong, stand
God will step in, stand, and it won't be long, you just

After you've done all you can
After you've gone through the hurt
After you've done all you can, after you've gone through the pain
After you've done all you can, after you've gone through the storm
After you've done all you can, after you've gone through the rain
After you've done all you can, prayed and cried, after you've done all you can
Prayed and cried, after you've done all you can, prayed and cried
After you've done all can, prayed and cried, after you've done all you can
After you've done all you can, you just stand, oh, oh, oh, oh
