

One hundred one people from CHUM and area United Methodist Churches attended the Sunday afternoon session with Rev. Dr. Mark Holland of Mainstream UMC as he discussed the One Church Plan, which is one plan under consideration by the United Methodist Church's General Conference.

The One Church Plan removes most of the restrictive language in the discipline, allows local churches and local clergy to host and perform weddings for LGBTQ couples, allows Boards of Ordained Ministry to vote to ordain LGBTQ candidates; yet, it is a compromise because it does not require clergy or congregations to host same-gender weddings.

The General Conference will meet for a special session in February 2019 to vote regarding the plans put forth by the Commission on the Way Forward; the decision made by General Conference will then impact local church ministry. The Great Plains Conference has 6 clergy and 6 lay delegates who will vote at General Conference.

What can you do?

*Contact our Great Plains delegates and encourage their support of the One Church Plan. You may email them at gcdelegates@greatplainsumc.org

*Contribute financially to Mark's global efforts to pass the One Church Plan through Mainstream UMC at <https://mainstreamumc.com/donate/>

*Like Mainstream UMC on Facebook and then "Like and Share" their posts. This turns into free advertising on Facebook because the more people who like and share a post, the more people who see it.

*Attend the Rally Forward Nov. 9-10 in Kansas City. The goal is to have over 500 people in attendance to show strong support for the One Church plan in the mid-west. This sends a strong positive signal to delegates across our connection. (See more details below.)

Peace,
Pastor Jill
