

# Power in the Words

The Green

If you don't think about what you say, every single time, knowing in your mind  
The power in the words won't go away, negativity comes your way  
If you don't think about what you say, every single time, knowing in your mind  
The power in the words won't go away, positivity comes your way

If you say love (love), say strength (strength). Speak good words in abundance  
Say health and happiness. You better mean what you say  
So say hope (hope), say peace (peace), forgiveness, over standing  
Your strength and loyalty, They're gonna show you the way

But if you don't think about what you say, every single time, knowing in your mind  
The power in the words won't go away, negativity comes your way  
If you don't think about what you say, every single time, knowing in your mind  
The power in the words won't go away, positivity comes your way

Oh, yes. It comes your way. It comes your way. Oh, yes.

Now, I know you and you know me, keep it real, take it easy (easy)  
Now what you trying to prove, who you trying to trick?  
Because friendship and compassion, they can last forever  
But I still need you to know

If you don't think about what you say, every single time, knowing in your mind  
The power in the words won't go away, negativity comes your way  
If you don't think about what you say, every single time, knowing in your mind  
The power in the words won't go away, positivity comes your way

Hey, it comes your way. Positivity comes your way. Oh. Yeah. Mmmm hmm.

If you say love, say strength. Speak good words in abundance  
Say health and happiness. You better mean what you say  
So say hope, say peace, forgiveness, over standing  
Your strength and loyalty, they're gonna show you the way, but

If you don't think about what you say, every single time, knowing in your mind  
The power in the words won't go away, negativity comes your way  
If you don't think about what you say, every single time, knowing in your mind  
The power in the words won't go away, positivity comes your way (All)

If you don't think...

# SPIRIT

Beyonce'

Uishi kwa muda mrefu mfalme.

<sup>Unison</sup>(Uishi kwa, uishi kwa.)

Uishi kwa muda mrefu mfalme.

<sup>Unison</sup> (Uishi kwa, uishi kwa)

Yeah, yeah, and the wind is talkin'

Yeah, yeah, for the very first time

With a melody that pulls you towards it

Paintin' pictures of paradise...

Sayin' rise up to the light in the sky, yeah.

Watch the light lift your heart up.

Burn your flame through the night.

Whoa, Spirit!

Watch the heavens open (open), yeah.

Spirit, can you hear it callin'? (Callin')

Yeah.

Yeah, yeah, and the water's crashin'.

Trying to keep your head up high. (Oo)

While you're tremblin',

That's when the magic happens,

And the stars (stars) gather by (gather by)

By your side

Sayin' rise up to the light in the sky, yeah.

Let the light lift your heart up!

Burn your flame through the night!

Yeah, Spirit!

Watch the heavens open (open), yeah.

Spirit, can you hear it callin'? (Callin')

Yeah (Yeah).

Your destiny is comin' close.

Stand up and fi-i-ight!

So go into that far off land

And be one with The Great I Am! I am.

Boy becomes a man!

## **Love In Any Language**

Word & Music by Jon Mohr & John Mays

### Verse 1

Je t' aime ... Te Amo ... Ya tylbya lyublyu (Russian phonetic)  
Ani oher otha (Hebrew) I love you  
The sounds are all as different as the lands from which they came  
And though our words are all unique, our hearts are still the same.

### Chorus 1

Love in any language...  
Straight from the heart...  
Pulls us all together –  
Never apart.  
And once we learn to speak it, **(Ooh...)**  
All the world will hear **(Ooh..)**  
**Love in any language**  
Fluently spoken here!

### Verse 2

We teach the young our differences, yet look how we're the same.  
We love to laugh to dream our dreams. We know the sting of pain.  
**(Aah...)** From Leningrad to Lexington, the farmer loves his land.  
And daddies all get misty eyed to give their daughters hand.

Oh maybe when we realize how much there is to share,  
We'll find too much in common to pretend it isn't there.

Chorus

Love in any language...  
Straight from the heart...  
Pulls us all together –  
Never apart.  
And once we learn to speak it, (Ooh...)  
All the world will hear (Ooh..)  
Love in any language  
Fluently spoken here! Fluently spoken

Though the rhetoric of governments may keep us worlds apart.  
There's no misinterpreting the language of the heart!

Chorus (3x)

Love in any language...  
Straight from the heart...  
Pulls us all together –  
Never apart.  
And once we learn to speak it, (Ooh...)  
All the world will hear (Ooh..)  
Love in any language  
Fluently spoken here! Fluently spoken

END

Love in any language fluently spoken here.  
Love in any language fluently spoken here.

## **Spirit of the Living God**

**Audrey Assad**

O Spirit of the living God, thou Light and Fire Divine,  
Descend upon Thy Church once more and make it truly Thine!  
Fill it with love and joy and power, with righteousness and peace  
Till Christ shall dwell in human hearts, and sin and sorrow cease!

Blow, wind of God! With wisdom, blow until our minds are free  
From mists of error, clouds of doubt, which blind our eyes to Thee.

Burn, winged fire! Inspire our lips with flaming love and zeal  
To preach to all Thy great good news, God's glorious commonweal!

So, shall we know the power of Christ, who came this world to save!

So, shall we rise with Him to life which soars beyond the grave!  
And earth shall win true holiness which makes Thy children whole  
'Til, perfected by Thee, we reach creation's glorious goal!
