Communion

Lord's Prayer

Our Father, who art in heaven hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread and forgive us our trespasses as we forgive those who trespass against us.

And lead us not into temptation but deliver us from evil for thine is the kingdom, and the power, and the glory, forever. Amen

Closing Song *You Say* Lauren Daigle

Turn the Other Cheek by Peter Rowan Bluegrass Band

Why is the sky always gray whenever she is away? I feel a chill come over me even though I know that she is coming back soon anyway. Why does my eye shed a tear knowing that she is not near In the street people suffer still but I don't care cause I'm sobbing till she reappears.

But she cares nothing for me. To her it's a joke and she is just usin' me. Like mirrors and smoke Somehow I must make her see That my heart is broken in two. You know it's true. It's true. I'm a man and not a mouse

She's the devil, I'm her spouse And my soul is beyond my control. But she cares nothing for me To her it's a joke and she is just usin' me Like mirrors and smoke Somehow I must make her see That my heart is broken in two You know it's true. Why are my knees always weak? This world is not for the meek. Even though she treats me bad, life without her would be sad So I'm turning my other cheek That's what I mean Turn the other cheek That's what I do now Turn the other cheek yeah Now I must turn (I must turn) Yeah I must turn it (I must turn) Turn the other cheek yeah (I must turn) I must turn the other cheek (I must turn) Cause this world was not made for the weak (I must turn)

Sweet Forgiveness by Bonnie Raiter

When will I learn to take you on my journey When will I see that you belong to me When will I learn to take you on my journey When will I see that you belong with me? Sweet forgiveness How could you go, my babe, I never really knew that I need-ed you but you were right there understand me. Honey you set my sails when will I learn to take you with me Everywhere? When will I learn...?

Sweeter than honey Give me that Sweet forgiveness Sweeter than wine did you ever get lost in a bundle of nerves Did you ever get lost in a jungle of your own words You hurt another, hurt a brother You hurt a sister or a lover

And then you go 'right' Then you got to just sit back And wait for the cure Sweet forgiveness How can you go, my babe I never really knew that I needed you But you were right there Understand me, yeah Honey you set my sails When will I learn to take you with me Everywhere? When will I learn...?

Forgiveness by Matthew West

It's the hardest thing to give away And the last thing on your mind today It always goes to those that don't deserve It's the opposite of how you feel When the pain

they caused is just too real It takes everything you have just to say the word...

Forgiveness Forgiveness

It flies in the face of all your pride It moves away the mad inside It's always anger's own worst enemy Even when the jury and the judge Say you got a right to hold a grudge It's the whisper in your ear saying 'Set It Free' ... Forgiveness, Forgiveness... Show me how to love the unlovable Show me how to reach the unreachable Help me now to do the impossible...Forgiveness, Forgiveness Help me now to do the impossible Forgiveness It'll clear the bitterness away It can even set a prisoner free There is no end to what it's power can do So, let it go and be amazed By what you see through eyes of grace The prisoner that it really frees is you Forgiveness... Show me how to love the unlovable Show me how to reach the unreachable Help me now to do the impossible...Forgiveness. I want to finally set it free So show me how to see what Your mercy sees Help me now to give what You gave to me Forgiveness, Forgiveness

You Say by Lauren Daigle

I keep fighting voices in my mind that say I'm not enough...
Every single lie that tells me I will never measure up.
Am I more than just the sum of every high and every low?
Remind me once again just who I am, because I need to know. Ooh, oh!
You say I am loved when I can't feel a thing.
You say I am strong when I think I am weak.
You say I am held when I am falling short.
And, when I don't belong, oh, You say I am Yours.
And I believe, oh, I believe What You say of me. I believe.
The only thing that matters now is everything You think of me.
In You I find my worth, in You I find my identity. Ooh, oh!
You say I am loved when I can't feel a thing.
You say I am strong when I think I am weak.
And, You say I am held when I am falling short.
When I don't belong, oh, You say I am Yours. And I believe, oh, I believe
What You say of me. Oh, I believe.
Taking all I have and now I'm laying it at Your feet.
You have every failure, God. You'll have every victory. Ooh, oh!
You say I am loved when I can't feel a thing.
You say I am strong when I think I am weak.
You say I am held when I am falling short.
When I don't belong, oh, You say I am Yours.
And I believe, oh, I believe What You say of me. I believe...
