where I want to be to inspire me and not terrify me.*

A Progressive United Methodist Community

Welcome, we are glad you have chosen to join us this morning. As we gather together, we seek to develop a Christian community wise in the ways of the Spirit, bold in the ways of justice and graceful in relationship with all creation.

Who We Are

We embrace diversity in our congregation and community, and we affirm the dignity and worth of every person created in the image of God. We honor the guiding principle that discrimination is incompatible with God's message of unconditional love.

We welcome into full membership and participation in all aspects of our church life persons of every race, language, national origin, age, sex, sexual orientation, gender identity or expression, physical or mental ability, economic or marital status, and faith background, and we affirm and celebrate all loving and committed relationships.

CHUM's Safe Reopening Task Force - On Wednesday, 9/9/2020, the Safe Reopening Task force reviewed the data regarding new cases in Sedgwick County and available hospital beds. The 14 day rolling average of new COVID cases in our county has decreased steadily during the previous 2 week period. In addition, though the Sedgwick County COVID dashboard classifies our hospital status as moderate, it indicates there are more beds available than in previous review periods. Per the Task Force's review, we will advance to Phase 2 of our plan for reopening the building. The next assessment is on 9/15/2020.
