

The Village

Wrabel

No, your mom don't get it
And your dad don't get it
Uncle John don't get it

And you can't tell grandma
'Cause her heart can't take it
And she might not make it

They say, "Don't dare, don't you even go there"
"Cutting off your long hair"
"You do as you're told"
Tell you, "Wake up, go put on your makeup"
"This is just a phase you're gonna outgrow"

There's something wrong in the village
In the village, oh
They stare in the village
In the village, oh

There's nothing wrong with you
It's true, it's true
There's something wrong with the village
With the village
There's something wrong with the village

Feel the rumors follow you
From Monday all the way to Friday dinner
You got one day of shelter
Then it's Sunday hell to pay, you young lost sinner

Well, I've been there, sitting in that same chair
Whispering that same prayer half a million times
It's a lie, though buried in disciples
One page of the Bible isn't worth a life

There's something wrong in the village
In the village, oh
They stare in the village
In the village, oh

There's nothing wrong with you
It's true, it's true
There's something wrong with the village
With the village
Something wrong with the village

There's something wrong in the village
In the village, oh
They stare in the village
In the village, oh

There's nothing wrong with you
It's true, it's true
There's something wrong with the village
With the village
Something wrong with the village

We Belong Namoli Brennet

In Here's to all the tough girls
And here's to all the sensitive boys
We Belong
Here's to all the rejects
And here's to all the misfits
We Belong

Here's to all the brains and the geeks
And here's to all the made up freaks, yeah
We Belong

And when the same old voices say
That we'd be better off running away
We belong, We belong anyway

Here's to all the one hit wonders
Here's to all the mistakes and the blunders
We Belong

CCLI #504270060 and PML & WCL #10865

Here's to all the fashion don'ts
And here's to all the Friday-night-home-alones
We belong

And when the same old voices say
That we'd be better off running away
We belong, We belong anyway

Here's to all the outspoken minorities
And here's to those who chose diversity
We Belong

And when the same old voices say
That we'd be better off running away
We belong, We belong anyway
And when the same old voices say
That we'd be better off running away
We belong, We belong anyway

The Way I Feel Inside The Zombies

Should I try to hide
The way I feel inside
My heart for you?

Would you say that you
Would try to love me too?

In your mind
Could you ever be
Really close to me?

I can tell the way you smile
If I feel that I
Could be certain then
I would say the things I want to say tonight

CCLI #504270060 and PML & WCL #10865

But 'til I can see
That you'd really care for me
I will dream
That someday you'll be
Really close to me

I can tell the way you smile
If I feel that I
Could be certain then
I would say the things I want to say tonight

But 'til I can see
That you'd really care for me
I'll keep trying to hide
The way I feel inside

Beautiful
Christina Aguilera

Don't look at me

Everyday is so wonderful
Then suddenly
It's hard to breathe
Now and then I get insecure
From all the pain
I'm so ashamed

I am beautiful
No matter what they say
Words can't bring me down
I am beautiful
In every single way
Yes words can't bring me down
Oh no
So don't you bring me down today

CCLI #504270060 and PML & WCL #10865

To all your friends you're delirious
So consumed
In all your doom, ooh
Trying hard to fill the emptiness
The pieces gone
Left the puzzle undone
Ain't that the way it is

You are beautiful
No matter what they say
Words can't bring you down
Oh no
You sre beautiful
In every single way
Yes words can't bring you down
Oh no
So don't you bring me down today

No matter what we do (no matter what we do)
No matter what we say (no matter what we say)
We're the song inside the tune (yeah, oh yeah)
Full of beautiful mistakes

And everywhere we go (and everywhere we go)
The sun will always shine (the sun will always, always, shine)
And tomorrow we might awake
On the other side

'Cause we are beautiful
No matter what they say
Yes words won't bring us down
Oh no
We are beautiful
In every single way
Yes words can't bring us down
Oh no
So don't you bring me down today

Oh, oh oh
Don't you bring me down today, yeah
Don't you bring me down, ooh
Today
