Programs

THE UMW READING PROGRAM

Is an excellent opportunity to deepen ones

spirituality and broaden our understanding of the mission field while encouraging readers to think critically about current issues. Reading program books, Response, the official magazine of UMW, and the New World Outlook, the official mission magazine of the United Methodist Church are available in the CHUM library and online.

LEAF

In February, Conference UMW members participate in LEAF—Legislative Event for Advocacy in Faith, which looks at the social justice issues facing Kansas. This gathering is held in Topeka where you can visit with representatives and senators from your area. Visits can be made to the capital building.

MISSION U

Each July the Conference UMW are invited to the campus of Kansas Wesleyan University in Salina to participate in Mission U, which is four days of study on spiritual and global issues. Mission U is also held in Topeka, Ks. and Kearney, NE.

METour

Each summer the Conference UMW invite young women 15-22 years of age to participate in the METour. This Mission Education Tour is a ten day trip where girls from across Kansas and Nebraska travel together to visit a variety of United Methodist mission agencies and institutions.

CHUM UMW

Holds fund raising events each year with the proceeds and members pledges used to support mission projects locally, nationally and globally.
