Calling ALL MEN! If you would like to join in on some College Football fun, we will be having a fun competition using the “ESPN College Pick ‘em” game. You will need to scan the QR code to join. If you don’t already have an ESPN account, you will need to create one. You will pick the winner of 10 games each week and put them in order of confidence, 10 being most confident and 1 being your least, for a total possible weekly score of 55 points. The scores will be tabulated throughout the season and we will crown a champion at the end. **Last**

year’s winner was Caleb Mitchell. We had 30 men participate last year and we would like to more than double that this time. This will give you a great way to enjoy time with other guys here at church and build community amongst us. If you have any questions, please reach out to Jeremy Crowe.

The teen group will be heading to R.U.S.H. (Reaching Unlimited Spiritual Heights) at Freed-Hardeman University on September 26-28. The cost for the trip is \$40/attendee. Please see the sign up sheet hanging on a clip board outside the teen room. If you have any questions, please feel free to reach out to Jeremy Crowe.

Thank you to everyone who attended the meeting last Sunday. If you missed it, please take a moment to stop by the teen room to pick up the 2025/26 school year calendar of events for August-May. Also, please speak with Jeremy if you have any questions.

If you have an interest in serving in a teaching role for a quarter with our teens, please reach out to Jeremy to let him know and he will determine when there is availability. We do textual studies on Sunday (curriculum provided) for both middle school and high school. Wednesday nights are typically topical in nature and the whole group is often together. We do sometimes split the boys and girls to offer some gender-specific content on Wednesdays as well.

If you have yet to do so, please scan this QR code to join the youth ministry GroupMe. This is where Jeremy will be communicating news, announcements, etc. It is set up as (Announcements Only), so you won't be getting stuck in a large group text message. Also, parents of high schoolers, please consider the Poll in the GroupMe relational to future mission trip opportunities. If you have any difficulty getting signed-in, please let Jeremy know.
