Jaya Paul Update - A Conversion Story

Warm greetings to all of you there in the Name of our Lord Jesus Christ. We are doing well by His amazing grace. We always thank the Lord for you all, and make mention of you in our daily prayers and family conversations.
We are glad to send this photo report of a family thanksgiving meeting:

A newly converted family from a Hindu community requested that we arrange a special thanksgiving meeting at their home, which is in front of the Hindu temple in their community. They wanted to do this in order to spread the True and Saving Gospel among their own community which has ignored the True God (Creator), worshipping the creation.

As their great faith was converted into Christ through the saving gospel of the Ryali Church of Christ, they hoped and felt that it was their responsibility to preach Christ and Truth among their Hindu families. So they invited their friends and relatives to this thanksgiving meeting. They thought that their Hindu family members and friends would respect our New Testament Truth by the unintimidating way in which Brother Jaya Paul and Brother Praveen Palanti teach the Word of God.

Please continue all of your prayers for the work we are doing here in India through all of your support, special contributions, and encouragements for His cause in this pagan nation.

Sincerely Yours in His service,
P.S. Reddy Jaya Paul, Minister
Ryali Church of Christ
India
