The Well

The Well - Our New Gathering Place

We are excited to announce that *The Well* (formerly the library) opens today, March 15! This space began as a vision from Jennifer Hale and Rena Haga, who were unable to continue the project but helped inspire its beginning.

Over the past months, many have worked together to bring this vision to life. Deidra Cummings, TJ and Jane Drake, and Sammy and Leigh Ann Benson oversaw the completion of the project and generously gave their time and financial support to help complete the project. Several others also worked on it including Roy Bell, Reggie Basenburg, Joe Craig, Brant Benson, Matt and Lucas Manning, Kevin Lemons, Mike Donaldson, and Judy Sisk. We appreciate their efforts and contributions as well.

The Well now offers hot and iced coffee, hot teas, ciders, and bottled waters for members and guests to enjoy.

Just as a well has long been a place where people gather, we hope this space will be a place of connection, encouragement, and fellowship for all who come.

Free VHS Tapes

Located in the children's hallway, there is a table set up outside the teacher workroom with old VHS tapes that you may take for free. Please take time to stop by and look at these if you have a VHS player. They will be donated soon.

Thanks and Greetings From Jaya Paul and the Ryali Church of Christ

Christian greetings and Salutations to you all, in the Name of our wonderful Lord Jesus Christ,

We are always so glad to extend our heartfelt thanks and gratitude to you all for your Love, prayers, and support.

We thank God for His gracious hand upon the ministries of the Ryali area Lord's work, all through the Year 2025. We praise God for the Trained Preachers and trainee preachers through our Preachers Bible Training School. We exalt God for the unreached people by our Ryali area, Tribal area, and Hill Area evangelism through Gospel Meetings and Special Bible Classes. The Preachers' group and the Women's group reached many people with the Saving Gospel through their "Knock the Door" program. By their sincere efforts and commitment to reach people living in spiritual darkness, they have established 62 Home Fellowships which include 320 people. Our trainee preachers, along with our youth Minister Venkata Reddy, helped with the Women's group's outreach.

Whatever we have done here is entirely due to the help and encouragement of the Saints. We are always thankful to all our Respected Elders, Deacons, Ministers, and Special Donors there at the Cullman Church of Christ. The children of our Children's Home are well in their studies at our Christian English Medium School and are growing up as good Christians. This is entirely due to our Lord's blessings through all of your prayers and regular support, and special encouragements.

Sincerely in His service at your disposal,

P.S. Reddy Jaya Paul, Minister
