Special Prayer Request From Jaya Paul

Greetings to you all from India,

We all are doing well, especially the evangelical work which is going on well in spite of some difficulties and impediments. We are planning to reach out to other new places where Christ has not been preached, and where the Church of Christ has not been established. So, we are working hard through all of your great prayers and compassionate support for India. We will try to do our best to carry out the Great Commission.

India's situation is getting worse day by day, because of the Prime Minister and anti-Christian party that is ruling India. Preachers and Christians are fearful and facing many problems, attacks, and difficult situations. Please pray for all of our working preachers for their safety and work for the Lord, and that they may continue saving souls through water baptisms. This is difficult due to the governmental restrictions, and because we are under the observation of the Central government intelligence department. They are spying on churches, Christian Charitable Societies, and our activities, especially if there are any conversions. Please continue your prayers for freedom of religion and our Christian activities. We are doing Evangelical activities to preach Christ in public areas without the permission of the local government authorities. So please pray for us and for all of our safe travels. Many times we are going to visit and see the believers when they are suffering and are in difficult situations.

We request your special prayers for the preachers who are working among their own (Hindu) communities after their conversions and completion of their 2 years of Bible Training from our Wendell J. Kelley Bible School. They are working in their home towns and religious groups. The rate of persecution is very high there, so they work secretly and sincerely for His cause.

Yours in His Kingdom and task,

P.S. Reddy Jaya Paul, Minister
Ryali Church of Christ
India
