

## Christ the Rock Golf League Rules

**1. Match play format** - The lowest score per hole wins the hole. Pairing of players will be predetermined by handicap. (The low handicap player vs. the opponents low handicap player).

### **Three points possible:**

- **One for each match (2 points)**
- **One for the team (1 point)**

**2. The maximum number of strokes** that can be taken on any hole is 3 over par. Once you reach that amount, pick up your ball and go to the next hole.

**3. OB or lost balls** - you may drop at the point of entry or anywhere back on the line of flight:

- **One stroke penalty.**
- **In order to speed up play you have 1 minute to find your ball.**

**4. The maximum handicap** will be two strokes per hole. During the month of April 2019 your team should play at least twice to establish an initial handicap. Handicaps will be calculated weekly based upon the scores turned into the clubhouse so don't be surprised when they change.

## Christ the Rock Golf League Rules (continued)

**5. Seniors over the age of 65** have the option to play from the green tees.

**6. Absenteeism** - In the event you are unable to play during any given week, it is your responsibility to find a substitute player. There will be a list of possible substitute players provided once all the signups are complete.

**If both members of a team don't show up, they forfeit the match and the points.**

**If 1 member of a team shows up,** that member plays the lowest handicap player of the other team. The other player will automatically win the points forfeited by the missing player.

**7. Scorecards are to be turned into** Nick Blair at the end of the round. Failure to do so may cause your team to lose points.
