TO WHOM IT MAY CONCERN:

It is my understanding that the Fox Valley Jail Ministry and Outagamie County are submitting a grant to request resources with respect to Freedom Life Skills, Inc. The purpose of this letter is to indicate my support for the grant request.

Outagamie County would effectively use these resources to provide skills and training to individuals that are in great need. Based on all of the information provided to me, it seems clear that Freedom Life Skills, Inc. would benefit inmates in the Outagamie County Jail by improving their quality of life, improving their relationships with family and friends, and hopefully preventing them from entering the criminal justice system in the future.

Please feel free to contact me if you have any questions or concerns.

Thank you for your time and attention to this matter.

Very truly yours,

MARK J. MCGINNIS
