

Hello! My name is Laura Brown, and I am so excited to be the assistant teacher in the VPK blue classroom this year. Last year, I was the assistant teacher in the 3-year-old classroom, so it has been such a joy to move up with the same children and watch them grow!

I am originally from North Carolina and graduated from Appalachian State University with a degree in Elementary Education and a concentration in Spanish. I spent 5 years teaching 2nd, 3rd, and 4th grade before moving to Florida. In addition to working at Messiah Lutheran, I also tutor elementary and middle school students.

Mrs. Tracy is a phenomenal teacher and friend, and I love working with her in the blue room. Every day is an adventure, and we are so excited to see the children learn new skills and develop their problem-solving abilities throughout the year. One of my favorite parts of the day is playing with them during center time. In fact, one of our best adventures was constructing a cave made from blocks for the play dinosaurs and creating food for them all made from Legos!
