the gathering

This is My Story We all have a story and no doubt your story has had its fair share of twists and turns, ups and downs. Whether your faith journey has been characterized by fear, doubt, unhealthy hungers, grief, denial, or confusion: the Good News is that Jesus still has Good News for you! God has a story that He wants to tell through you - and you have a story - God wants to share with the world. We hope you will join us for our new teaching series at *the gathering* entitled "This is My Story" as we discover life changing encounters people have with the Good News!
